1557 VACANCY ON CRIME AWARE-  
NESS AND  
PREVENTION  
COMMISSION City Clerk Reimche advised the Council that a letter had been received from the Crime Awareness and Prevention Commission advising that it would be in order for the City to fill the Commission seat previously held by Carl Andre.

On motion of Council Member Olson, Hinchman second, Council directed the City Clerk to make the necessary posting for this vacancy on the Crime Awareness and Prevention Commission.

COMMENTS BY CITY COUNCIL MEMBERS Mayor Randy Snider addressed the Council sharing some of his experiences in his work with the Olympics. Mayor Snider was wearing the uniform from the Olympics, showed some of the various pins that he had collected as momentos, and presented a gift representative of the Olympics to each member of the Council and the City Manager.  
MAYOR SHARES MEMORIES OF HIS OLYMPICS EXPERIENCE

1556 COMMENTS BY THE PUBLIC ON NON AGENDA ITEMS Mrs. Marla Donovan, 848 S. Stockton Street, Lodi, addressed the Council regarding the numerous problems that are encountered by citizens living in the area of the Pacific Coast Producers Plant.

VARIOUS PROBLEMS ENCOUNTERED IN AREA OF PACIFIC COAST PRODUCERS A lengthy discussion followed with questions being directed to Mrs. Donovan and to Staff.  
Following a suggestion by Mayor Pro Tempore Hinchman, Mayor Snider asked him (Mayor Pro Tempore Hinchman) to meet with Pacific Coast Producers Management and citizens in the area of PCP to seek an amicable solution to the various problems. Further, the Police Department was asked to do additional patrolling in the subject area to assist in resolving some of the problems being encountered.

1557 SAN JOAQUIN COUNTY STRATEGIC PLAN A copy of the proposed San Joaquin County Strategic Plan was presented for Council's perusal. San Joaquin County Supervisor George Barber had attended an earlier Informal Meeting of the Council and reviewed the proposed plan. Council was apprised that this process, linking the efforts of representatives of private enterprise with public sector administrators and elected officials, is a proven one and designed to produce several benefits. It will:

- ° Focus community efforts on the key factors in San Joaquin's future
- ° Improve communications between the various City and County governments
- ° Improve communications between the business community and the public sector
- ° Develop an action plan and implementation process for shaping San Joaquin's future
- ° Provide a business community voice in the public sector planning process that is as acceptable and objective as possible

As explained in the Project Overview, the strategic planning process was begun in San Joaquin County because of concern over the great amount of change experienced in the county in the past ten years. This change has been brought about by demographic shifts, changing industry and employment patterns and a deterioration in the County's goal of forming a partnership among the cities and unincorporated areas. These and other factors have contributed to a variety of problems such as deteriorating physical infrastructure, loss of businesses and jobs and so on.

The amount of funds requested represents a per capita division, with the County being asked to represent the unincorporated areas and each incorporated city for their populations. The City of Tracy has already considered our request and allocated their share of the total budget of \$165,000. In addition to requests of each of the cities and County, the private sector in each city has to provide funding on a similar basis.

No single government could address all the demands for services its constituents might place upon it. Similarly, no plan could address every problem and set forth an implementable solution. It is through strategic planning that efforts are combined, a common view of the future is developed, and implementable solutions are identified.

For these reasons, and with a sincere desire to contribute to the well-being of current and future residents of the city of Lodi and San Joaquin County, the management committee of the San Joaquin County Strategic Plan respectfully request your appropriation of \$10,050.00.

Mr. George A. Chimiklus, Coordinator, addressed the Council regarding the matter, and responded to questions as were posed by the Council.

Following discussion, on motion of Council Member Olson, Reid second, Council appropriated \$10,050.00 for funding of the subject plan, contingent upon the private sectors participation for its projected commitment, and the participation of the other cities in the County.

The motion was carried by the following vote:

Ayes:	Council Members - Olson, Pinkerton, Reid, and Snider (Mayor)
Noes:	Council Members - Hinchman
Absent:	Council Members - None

Further, following additional discussion, on motion of Council Member Olson, Reid second, Council authorized the appropriation of these funds (\$10,050.00) when they are ready to be dispursed to be made from the General Fund Operating Reserve. The motion carried by the following vote:

Ayes:	Council Members - Olson, Reid and Snider (Mayor)
Noes:	Council Members - Hinchman, and Pinkerton
Absent:	Council Members - None

SANITARY  
CITY  
DISPOSAL  
COMPANY  
RATE  
INCREASE

Agenda item K-2 - "Request by Sanitary City Disposal Company for Rate Increase" was introduced by Assistant City Manager Glenn who presented and reviewed a rate adjustment computation he had prepared regarding the requested rate increase.

Mr. Harry Marzolf was in the audience representing Sanitary City Disposal Company and responded to questions as were directed by the Council.

Mr. Fred Druet, 1401 Ayers Avenue, Lodi, was in the audience and addressed the Council regarding the matter, raising a number of questions regarding Sanitary City Disposal Company and their holdings.

URGENCY ORD. NO. 1336. Following a lengthy discussion, with questions being directed to Staff and to those persons in the audience who had given testimony, Council, on motion of Council Member Reid, Hinchman second, introduced Ordinance No. 1336, an Urgency Ordinance, granting a 9.5% increase on residential and commercial refuse rates on all bills prepared after September 1, 1984.

The motion carried by unanimous vote.

Council indicated its concern regarding policy and methodology used in reviewing such requests for rate increases and the formula presently being used.

CONSIDERA-  
TION OF  
PROPOSED  
ALARM ORD.  
DEFERRED

Council deferred to a date uncertain, consideration of the proposed Alarm Ordinance following a request for delay from the San Joaquin County Alarm Association.

AWARD - 5"  
HOSE FOR  
FIRE DEPT.

City Manager Graves presented the following bids which had been received for 5" hose for the Fire Department advising that 1) documents supporting manufacturer's data indicated an abrasion test of 20,000 cycles using a B22 wheel. Manufacturer does claim that this is a typographical error and should read as specified. Note: This data sheet is dated May 1984 and is the second document received containing an abrasion test of 20,000 cycles using a B22 wheel. 2) Control sample supplied by manufacturer is not a sample of material to be delivered as required in specifications. 3) Low bidder has not begun production of hose meeting specifications. The City of Lodi would be the first to receive this new product line. 4) Without a sample of proposed hose, no determination can be made concerning the ability to meet specifications. 5) The difference in bid price is \$42.50. 6) Hose to be supplied by Halprin Supply Company is a known product.

RES. NO.  
84-124

Following discussion, Council, on motion of Council Member Pinkerton, Hinchman second, adopted Resolution No. 84-124 awarding the bid for 5" hose for the Fire Department to Halprin Supply Company in the amount of \$14,755.20, which represents the lowest responsible bid.

SECTION 15-20 OF LODI CITY CODE RE TRESPASS AND LOITERING AMENDED TO  
Council was apprised that it had been brought to Staff's attention that with the assignment of new telephone numbers city-wide, Section 15-20 of the Lodi City Code needs to be amended to reflect the new Police Department number.

REFLECT NEW POLICE DEPT. TELEPHONE NO.  
Following discussion, on motion of Council Member Pinkerton, Olson second, Council introduced Ordinance 1337 amending Section 15-20 of the Lodi City Code - Trespass and Loitering Definitions, amending the Police Department telephone number only. The motion carried by unanimous vote.

ORD. NO. 1337 INTRO.

1034  
BOATING ON THE MOKELUMNE RIVER  
City Manager Graves presented the following report regarding boating on the Mokelumne River:

"At the August 1, 1984 Council meeting, questions were raised about means of providing better boating safety on the Mokelumne River adjacent to the City of Lodi.

The County Administrator was contacted and the following information received:

1. The County does not have authority to prevent boating on the river. Speeds can be limited to maximum limits or possibly horsepower limits might be placed on the boats using a portion of the river.
2. The County does have an ordinance regarding boating on waters within the County.
3. Any actions by the County would be by the Board of Supervisors and probably involve public hearings.

I also talked to Sergeant Vierra of the Sheriff's Office about enforcement of the boating laws. I learned that enforcement on the Mokelumne River is only done periodically because of the enormous water area involved in the County. When the Sheriff's boat is on the Mokelumne it is extremely rare for them to find violations - everyone is on his good behavior. It is also quite rare for them to get reports of accidents. The recent one was first of that magnitude in several years.

If the City Council wishes to pursue the matter, a request should be made to the Board of Supervisors identifying the type of action desired."

No action was taken by the Council on this matter.

SALARY FOR  
BUILDING  
SERVICE  
WORKER  
ESTABLISHED

Council was apprised that when Council adopted the newly-negotiated salaries, there was a negotiated reduction in the salary for Building Service Worker. As part of the negotiations, the City guaranteed no incumbent would have a reduction in salary.

RES. NO.  
84-126

In order to accomplish this, there is a need to establish a new bi-weekly salary schedule for this position. Following discussion with questions being directed to Staff, Council, on motion of Mayor Pro Tempore Hinchman, Olson second, adopted Resolution No. 84-126 adopting the following salary schedule for Building Service Worker "Y" and placed Bernhardt Wendt into that salary range:

	A	B	C	D	E

NO PARKING  
ZONES ESTAB-  
LISHED ON  
TURNER ROAD  
AT CHURCH  
STREET AND  
RIVERGATE  
DRIVE

Council was apprised that the street widening improvements on the north side of Turner Road will be installed prior to the end of this summer. It was the City's original intent not to provide for the left-turn pockets until that widening was accomplished.

However, because of the recent concern of the City Council, interim left-hand turn lanes were striped at this time. It was necessary to paint the curb red on the south side so that the turn pockets could be placed. The "No Parking" zones requested include red curb on the north side where the curb and gutter is not yet installed. The recommended "No Parking" zones will be sufficient to cover the modification of the existing left-turn pockets once the northerly widening takes place.

RES. NO.  
84-127

Following discussion with questions being directed to Staff, Council, on motion of council Member Reid, Hinchman second, adopted Resolution No. 84-127 establishing "No Parking" zones on Turner Road east and west of Church Street and Rivergate Drive as shown on a diagram presented for Council's perusal.
